To exiting members of the  
NSW Presbyterian Superannuation Fund

As part of the contract for service with the Presbyterian Church of NSW, Cameron & Mills have been providing consulting services for members of the Presbyterian Superannuation fund for over 10 years.

Under this contract for service, members are offered guidance and general advice at no cost. This service has been particularly valuable to those leaving the fund due to illness, or who are retiring.

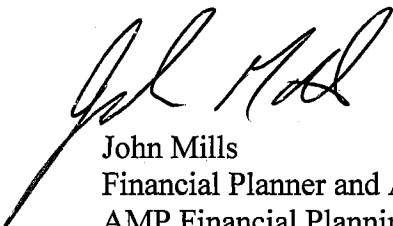

If members require specific advice fees may be payable but at a discount to the normal fee.

If you are leaving the fund and want to discuss the alternative options available to you please contact us to arrange a no-cost obligation-free meeting. Going it alone without advice could lead to significant taxation or Centrelink implications.

Some of the options open for retirees for example are (i) to take their money in cash, (ii) to transfer to another super fund of their choice or, (iii) if they require a regular income stream, to move to an allocated pension.

For those who would like to do some prior reading before seeing us, please go to the AMP website at [www.amp.com.au](http://www.amp.com.au) and follow the superannuation or retirement links. There are also links to a range of calculators.

If you would like to talk to us please give us a call on (02) 9890 8300 for an initial discussion or appointment at no cost.
